In the Name of Allâh, the Most Gracious, the Most Merciful
he it is Who sends down water [rain] from the sky; from it you drink and from it [grows] the vegetation on which you send your cattle to pasture.

(10) هو الذي أنزل من السماء ماء لكم منه شراب ومنه شجر فيه تسیمون
With it *he* causes to grow for you the crops, the olives, the date palms, the grapes, and every kind of fruit. Verily! In this is indeed an evident proof and a manifest sign for people who give thought.
And *he* has subjected to you the night and the day, and the sun and the moon; and the stars are subjected by *his* Command. Surely, in this are proofs for people who understand.
And whatsoever he has created for you on the earth of varying colours [and qualities from vegetation and fruits, etc. botanical life] and from animal (zoological life)]. Verily! In this is a sign for people who remember.
And **he** it is **Who** has subjected the sea, that you eat thereof fresh tender meat, and that you bring forth out of it ornaments to wear. And you see the ships ploughing through it, that you may seek of **his** Bounty and that you may be grateful.
And *he* has affixed into the earth mountains standing firm, lest it should shake with you; and rivers and roads, that you may guide yourselves.

وألقى في الأرض رواسي أن تميد بكم وأنهارا وسبلا لعلكم تهتدون (5)
And landmarks [signposts, etc. during the day] and by the stars [during the night], they [mankind] guide themselves.

وعلامات وبالنجوم هم يهتدون (١٦)
Is then he, Who creates as one who creates not? Will you not then remember?
And if you would count the graces of Allâh, never could you be able to count them. Truly! Allâh is of Forgiving, Most Merciful.
These are the words of Allâh,
and what Allâh says is the truth.
